---

This matter came before the Pre-Hearing Officer upon remand from the Directors of the Tennessee Regulatory Authority (the "Authority").

At a regularly scheduled Authority Conference on May 15, 2001, the Authority considered the revised cost studies filed by United Telephone-Southeast, Inc. on March 6, 2001 and May 1, 2001 and the comments of the Tennessee Payphone Owners Association filed on May 11, 2001. During that Conference the Directors unanimously voted to remand this docket to the Pre-Hearing Officer for the purpose of setting a discovery schedule and resolving discovery disputes.

Pursuant to the directive of the Authority, the Pre-Hearing Officer adopts the following procedural schedule for discovery:

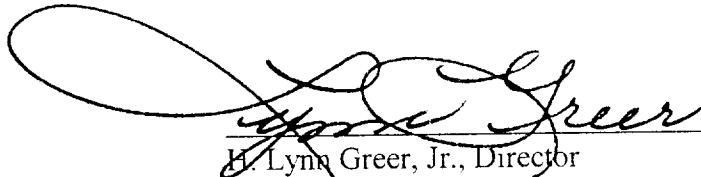

- Discovery requests must be filed with the Authority and served on all parties by **2:00 p.m., Friday, June 23, 2001.**
- Objections to discovery requests must be filed with the Authority and served on all parties by **2:00 p.m., Friday, July 7, 2001.**

- Responses to discovery requests must be filed with the Authority and served on all parties by **2:00 p.m., Friday, July 28, 2001.**

Furthermore, the Pre-Hearing Officer finds that discovery should be limited to those issue related to setting a payphone access line rate for United Telephone-Southeast, Inc.

**IT IS THEREFORE ORDERED THAT:**

The procedural schedule for discovery set forth herein is adopted. Parties shall limit discovery requests to issues related to the setting of a payphone access line rate for United Telephone-Southeast, Inc.
